1. Executive Summary

ALM SK Ceylon Cashews (Pvt) Ltd is a family-owned cashew processing and trading business established in 2026, located in Diulwewa, Anamaduwa, Kurunegala, Sri Lanka. The business is founded by the Somarathna family — Lakruwan, Anupama, and Manoja Somarathna — with a deep-rooted passion for Sri Lankan cashew farming.

The loan application is submitted by Mrs. Anupama Somarathna as the primary applicant, supported by her employment income, while all three partners are equally committed to the success of the business.

Loan Summary

Description	Amount (Rs.)
Loan Amount Requested	5,000,000
Raw Cashew Stock Purchase	4,000,000
Emergency / Working Capital	1,000,000
Total	5,000,000

2. Business Overview

2.1 Company Details

Detail	Information
Business Name	ALM SK Ceylon Cashews (Pvt) Ltd
Business Type	Family Partnership
Partner 01	Lakruwan Somarathna
Partner 02 (Loan Applicant)	Anupama Somarathna
Partner 03	Manoja Somarathna
Year Established	2026
Address	Diulwewa, Anamaduwa, Kurunegala
Phone	+94 78 381 9650
Email	almskceyloncashews@gmail.com
Website	almskceyloncashews.netlify.app

2.2 Products & Services

Product	Description	Target Market
Raw Cashews	100% natural, export-grade W180–W450	Bulk buyers, Export
Roasted Cashews	Slow-roasted, lightly salted, premium packaging	Retail, Local market
Flavored Cashews	Spicy, honey glazed, salted butter varieties	Retail, Gift packs

3. Market Analysis

3.1 Target Market

Segment	Description
Local Retail	Supermarkets, grocery stores, direct consumers
Bulk Buyers	Hotels, restaurants, food manufacturers
Export Market	International importers — Middle East, Europe
B2B Suppliers	Raw cashew farmers across Sri Lanka

3.2 Competitive Advantages

- ✓ Direct relationships with farmers — lower procurement cost
- ✓ Premium quality processing using traditional methods
- ✓ Established online presence via website and digital marketing
- ✓ Located in Kurunegala — prime cashew growing region of Sri Lanka
- ✓ Flexible product range catering to retail and bulk markets

4. Loan Utilization Plan

The requested loan of Rs. 5,000,000 (Fifty Lakhs) will be utilized as follows:

Purpose	Amount (Rs.)	Percentage
Raw Cashew Stock Purchase	4,000,000	80%
Emergency / Working Capital Reserve	1,000,000	20%
Total	5,000,000	100%

Stock Investment Strategy: Rs. 4,000,000 will be used to purchase raw cashew stock in bulk directly from farmers at farm-gate prices, significantly reducing per-kg cost and allowing higher profit margins.

Emergency Reserve: Rs. 1,000,000 will be maintained as working capital to cover operational expenses, packaging, transportation, and unforeseen costs.

5. Financial Projections

5.1 Revenue Projection (Year 1)

Month	Estimated Sales (Rs.)	Estimated Profit (Rs.)
Month 1–2	300,000	60,000
Month 3–4	500,000	100,000
Month 5–6	700,000	140,000
Month 7–9	900,000	180,000
Month 10–12	1,200,000	240,000
Year 1 Total	3,600,000	720,000

5.2 Loan Repayment Capacity

Detail	Amount (Rs.)
Loan Amount	5,000,000
Estimated Loan Period	3–5 Years
Estimated Monthly Repayment	70,000
Projected Monthly Revenue (Avg)	300,000 – 1,200,000
Repayment Feasibility	✓ Feasible

6. Business Strategy & Growth Plan

6.1 Short Term (Year 1)

- ✓ Purchase bulk raw cashew stock using loan funds
- ✓ Establish retail distribution in Kurunegala district
- ✓ Launch online sales via website and WhatsApp
- ✓ Register on export platforms (Alibaba, TradeIndia)

6.2 Medium Term (Year 2–3)

- ✓ Expand to Colombo and other major cities
- ✓ Secure first export order to Middle East or Europe
- ✓ Increase product range with new flavors
- ✓ Begin loan repayment from business revenue

6.3 Long Term (Year 4–5)

- ✓ Establish own processing facility
- ✓ Obtain export certifications (SLS, ISO)
- ✓ Full loan repayment

✓ Expand to international markets independently
